

UJJWAL BHATIA

Edmonton, AB • +1 (780) 709-3479 • ujjwalbhatia2819@gmail.com
Available for fully remote roles • Open to evening, weekend, and overnight shifts

PROFESSIONAL SUMMARY

Customer-focused professional with hands-on experience in resident coordination, customer service, operations, and tutoring. Skilled in resolving customer issues, managing high-volume communication, and working across multiple systems. Bilingual (English, Hindi, Punjabi) with beginner French. Strong technical background with rapid software adoption. Seeking a fully remote customer service, chat support, or call centre role where I can deliver excellent service and contribute immediately.

CORE SKILLS

- Customer Service: complaint resolution, conflict de-escalation, empathetic communication, active listening
- Communication: written and verbal English fluency, professional tone, clear documentation
- Technical: MS Office (Word, Excel, PowerPoint), Google Workspace, CRM tools, Python, HTML/CSS, fast learner on new platforms
- Operations: order processing, scheduling, onboarding, compliance, multi-tasking under deadlines
- Languages: English (fluent), Hindi (fluent), Punjabi (fluent), French (beginner)
- Availability: Open to day, evening, overnight, weekend, and holiday shifts

PROFESSIONAL EXPERIENCE

Assistant Regional Coordinator | Harrington Housing

Apr 2025 – Present

Edmonton, AB • Remote/Hybrid

- Serve as primary point of contact for residents, resolving 20+ inquiries and concerns per week across email, phone, and in-person channels with consistent positive feedback.
- Coordinate leasing, onboarding, and unit setup for co-living properties, maintaining 100% occupancy goals.
- Document resident interactions, follow-ups, and resolutions in internal systems to ensure accurate records and compliance.
- Collaborate with regional teams to streamline communication workflows and resolve escalations promptly.

Teaching Assistant | University of Alberta

Jan 2025 – Present

Edmonton, AB

- Support 50+ students per term in introductory computing and Python, patiently walking them through technical problems and explaining concepts in plain language.
- Provide one-on-one troubleshooting assistance during weekly lab sessions, often debugging unfamiliar errors in real time.
- Grade assignments with detailed, constructive feedback that helps students improve outcomes.
- Maintain clear communication with course instructors and respond promptly to student questions over email and forums.

Owner & Operator | Quick-Service Restaurant

Aug 2021 – Jul 2024

Punjab, India

- Managed online and offline customer interactions daily, handling complaints, special requests, and order issues with a calm, solution-focused approach.
- Built relationships with repeat customers, growing loyalty through consistent service quality.
- Oversaw purchase orders, menu development, online sales platforms, and day-to-day operations.

- Trained and supervised staff on customer service standards.

Volunteer / Events Crew | University of Alberta Students' Union (UASU)

Sep – Nov 2024

Edmonton, AB

- Assisted at high-traffic campus events, supporting students and visitors with directions, questions, and registration.
- Practiced fast, friendly communication in busy environments with diverse audiences.

EDUCATION

BSc Honors, Computing Science (AI Specialization) | University of Alberta

2024 – Present
